They are anodyne, tonic and laxative. They are so mild and invigorating that one is not reminded by any disagreeable effects that he has taken medicine.

1st. The arrangement for broili ton the front hearth,

It has also the same arrangement for broiling on top.

2d. A thorough ventilation of the Oven.

2d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stova, quickening its operations, and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of Ath. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one gridle will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by soap-stone, so it cannot burn out.

In addition to the above improvements, it has all that is combined in other first class Stores, viz —Hot water Reservoir, Warraing Closet, Roaster in front, Eaker on top, Doors lived with best Russia Iron, &c., &c. THE BALD AND GRAY!

THE BAID AND GRAY!

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

The inquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained it intid does my hair shill continue to be in good order and of natural color? To all I can and will auswer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft theirly and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is weshed off by frequent ablution of the face, when if core were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and saif of various compounds as well as this, it has no doubt been basely imitated and been used, not only without any good but to absolve injury. MRSSIS, HENRY P. Wilson & Co....My wife is now using your Regenerator for the hair, and pronounces it far superfor to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use.

Respectfully, &c.,

Rev. JACOB STEVENS, Newburyport, Ms.

REV C. RUSSELL, Littleton, N. H.

Messas, Henry P. Wilson & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dr. ssing are the best hair preparations now in use. I shall continue to use them with pleasure.

Bev. H. H. HARTWELL, Lawrence, Mass.

Massus, Haxny P. Wilson & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I doem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or humors, or to those whose hair is falling from the head.

Rev. G. W. H. CLARK, Great Falls, N. H.

MESSES, HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many in-stances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors Personally, I have been a sharer in several of these benefits. REV. HENRY HILL, Manchester, N. H

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your lair will be even more lifelike in color and beauty. Use nothing on your hair but these preparations, and

use these according to directions, and we warrant you a good healthy head of hair. Manufactured and sold at wholesale by Henry P. Wit-son & Co., Manchester, N. H., to whom all letters should be addressed.
